

OSHA ET&D 10 Hr. and 20 Hr. Train-the-Trainer dates announced for 2023

Please use the link below to request registration information for one of the upcoming OSHA ET&D Train-the-Trainer sessions. The associated form acts as a request for an upcoming scheduled course and does not constitute an agreement. A signed Student Enrollment Application, payment, and confirmation will still be required. Affiliations with EEI, NECA, or the IBEW should be listed next to company name to ensure requests are routed properly.
